

Sandy TUBEUF Professor in Health Economics

CONTACT DETAILS	Université catholique de Louvain Institute of Health and Society Ecole de Santé Publique Clos Chapelle-aux-champs, 30 Batiment B1.30.01 1200 Woluwe-Saint-Lambert - Bruxelles (Belgium) Personal webpage: http://sandytubeuf.wixsite.com/sandytubeuf	Office number: +32 (0) 276 43 454 Mobile number: +33 (0) 661 521 447 sandy.tubeuf@uclouvain.be
RESEARCH INTERESTS	Health Economics, Applied Health Econometrics, Labour Economics, Evaluation of Public Policies, Economic Evaluation alongside Clinical Trials Applied Health Research, Mental Health, Deprived Population	
ACADEMIC APPOINTMENT	Professor in Health Economics Institute of Health and Society (IRSS) & Institute of Economic and Social Research (IRES), Université Catholique de Louvain (UCL), Belgium Associate Professor in Health Economics Leeds Institute of Health Sciences, University of Leeds, UK Co-deputy Director Academic Unit of Health Economics, University of Leeds, UK Lecturer in Health Economics Leeds Institute of Health Sciences, University of Leeds, UK Senior Research Fellow Leeds Institute of Health Sciences, University of Leeds, UK Research Fellow Leeds Institute of Health Sciences, University of Leeds, UK Postdoctoral research visitor Centre for Health Economics, University of York, UK Doctoral Fellow Institute of Research and Information in Health Economics (IRDES), Paris, France Research Engineer National Institute of Medical Research (INSERM), Paris, France	from 09/2018 12/2013 to 08/2018 07/2012 to 07/2018 02/2012 to 11/2013 08/2011 to 01/2012 05/2008 to 07/2011 01/2007 to 04/2008 03/2003 to 12/2006 03/2003 to 03/2006
PROFESSIONAL AFFILIATIONS	Visiting Professor, Academic Unit of Health Economics, University of Leeds Associate member, Leeds Institute of Data Analytics, University of Leeds Associate researcher, Chaire Hospinnomics, Paris School of Economics Associate researcher, Chaire Santé, Université Paris-Dauphine	09/2018 -. 04/2016 -08/2018 2016 -. 01/2010 -.
EDUCATION	2017 - <i>Habilitation à Diriger des Recherches (HdR)</i> , accreditation to supervise postgraduate research, Université de Bordeaux, France. <u>Thesis title:</u> <i>Understanding inequalities of opportunities in health and other outcomes</i> under the supervision of Prof. Jérôme Wittwer (Université de Bordeaux). <u>Examination committee:</u> Olivier Bargain (Université de Bordeaux); Erik Schokkaert (KU Leuven); François-Charles Wolff (Université de Nantes); Lise Rochaix (Université Paris 1, PSE). 2015 - University of Leeds Teaching Award (ULTA) for higher education. 2008 - European PhD in Economics , Université d'Aix-Marseille II, GREQAM, France. Awarded with honours and compliments of the jury. <u>Thesis title:</u> <i>A contribution to the analysis of inequalities in health in France using indicators of self-assessed health</i> under the supervision of Prof. Lise Rochaix (Université Paris 1, PSE) and Prof. Alain Trannoy (Aix-Marseille School of Economics). <u>Examination committee:</u> Brigitte Dormont (Université Paris-Dauphine); Andrew Jones (University of York); Jérôme Wittwer (Université de Bordeaux); Chantal Cases (IRDES).	

2002 - MSc. in Public Economics with distinction, Aix-Marseille School of Economics, GREQAM, France.

2002 - Integrated Master in Engineering Economics with distinction, Aix-Marseille School of Economics, France.

2001 - MA in Econometrics with distinction, Aix-Marseille School of Economics, France.

1999 - BSc. in Social Sciences and Applied Mathematics with distinction, Université de la Méditerranée, France.

1996 - Baccalauréat Scientifique, Lycée Alphonse Benoît, l'Isle sur la Sorgue, Vaucluse, France.

AWARDS

National Centre for Research Methods (NCRM) Bursary 2017
Spatial Interaction Modelling training, University of Manchester, £260

Participant to the University of Leeds Crucible programme 2016-17
'Crucible' is the highly successful, professional and personal leadership development programme established by NESTA for innovative researchers

Fellow of the Higher Education Academy 2015
in recognition of attainment against the UK Professional Standards Framework for teaching and learning support in higher education

University of Leeds Women of Achievement Award 2015
Nomination

Leverhulme Research Fellowship 2015
Evaluating neighbourhood based policies using the BHPS Grid Reference Data - £44,341 (success rate: 15%)

Lavoisier postdoctoral scholarship 2007
Postdoctoral Research Visit from the French Ministry of Foreign Affairs at the Centre for Health Economics (University of York) - €11,400 (success rate: 37%)
